

# Lecture 5: securing rest APIs

Recording

<https://northeastern.zoom.us/rec/share/ekYUA3NZDzLo-jV89o9Gahti0naHYFYO8quzHrHyUjWa6pZfZV5TDl3RGjIYDD9s.HoTmDDKrS6JDstAX>

Passcode: P53%yd+E

The presentation is here:

[Oauth-4.pptx \(https://northeastern.instructure.com/courses/171942/files/25153084?wrap=1\)](https://northeastern.instructure.com/courses/171942/files/25153084?wrap=1)

This presentation contains instructions on what you need to do to obtain a token from Google IDP. It was done by one of my former awesome TAs

[Google OAuth 2.0 - Spring-2021 \(1\).pptx](https://northeastern.instructure.com/courses/171942/files/25153064?wrap=1)
